

FACT SHEET

Event : Environment Sustainability Expo – an international exhibition on environmental solutions, equipment, services, eco-products and technologies for environment sustainability

Expo Date : 23 - 25 June 2009

Venue : Suntec Singapore International Convention and Exhibition Centre

Expo Size : 15,000 sqm of covered space

About The Expo

Water Expo and Environment Sustainability Expo are integrated to provide and address the challenges face by economic development, increasing urbanization and environmental degradation that cities face today.

Environment Sustainability Expo is an avenue for business collaboration, joint venture opportunities, technology exchange and networking with the various stakeholders.

It is a meeting place for policy makers, industry leaders, experts and practitioners to discover global opportunities.
