Suntec Singapore International Convention
and Exhibition Centre

Water Expo Fact Sheet

Water Expo Fact Sheet

The Water Expo is a major trade show that focuses on innovations, products and services, as well as best practices, successful case studies and practical applications of technologies. It is a one-stop trade exhibition providing the buyers and sellers the opportunities for business transactions and networking.

With an expanded range of exhibit profiles to include Environment and Infrastructure, the second staging of Water Expo promises to be bigger and better with an increase in exhibitors and trade visitors.

Come 2009, Water Expo will continue to be THE GLOBAL PLATFORM to serve the needs of the world demands in the field of Water - solutions and environment - friendly technologies and equipment.
